National systems - 3

Anagrafe delle biblioteche italiane: census of Italian libraries

17647 libraries
1355 libraries with historical music heritage
   With RISM siglas and standard identifiers (ISIL)
   With description of holdings, access, services, etc.
   With georeference, and Linked Open Data
2015: Working group with Archives, IAML-Italia and URFM
   For institutions with musical holdings:
      Harmonisation of ISIL codes
      Complete all RISM siglas and standard identifiers (ISIL)
      Interconnect descriptions with census of archives (SIUSA)
      Give fuller and updated description of music collections
      With the aim of being RISM series C for Italy

More in the Poster session on Thursday 7, 10.30-12.30 and 15.30-16.00

anagrafe.iccu.sbn.it
National systems - 4

Other national census

Manus online
Census of Italian manuscripts
manus.iccu.sbn.it

Edit16
Census of Italian 16th century publications
Published in Italy
Published abroad, in Italian
edit16.iccu.sbn.it
International activities

Europeana sounds
Will aggregate 540,000 high-quality sound recordings
ICCU is a partner through the Internet Culturale portal, and sends to Europeana the content of the Central Institute for Sound and Audiovisual Heritage

IFLA
ICCU is active in what concerns
Virtual International Authority File (VIAF)
International Standard Bibliographic Description (ISBD)
Functional Requirements of Bibliographic Records (FRBR)
International Cataloguing Principles (ICP)

World Digital Library (WDL)
Consortium of European Research Libraries (CERL)
Agreements concerning music

With IAML-Italia

Establishes a mutual co-operation for:

The maintenance of SBN and cataloguing, development of the system
Editing rules and guidelines for music
Management of data in the Anagrafe delle biblioteche italiane
Giving feedback (on OPAC, rules, etc.)

With RISM (in progress)

Concerning:

Data exchange between OPACs (chiefly music manuscripts)
Other common activities
Need more information?

Come and visit our stand at the books and music fair!
Thank you!
